Shared Care Pathway

Optometrist Benefits with Kingsbridge Eye Clinic

Paid Post-Op Reviews

Receive **£110/€120** per post-operative review, recognising your time, expertise, and role in patient recovery.

Continuity of Care

Strengthen long-term relationships with your patients by remaining their primary eye care provider throughout their treatment journey. The scheme encourages patients to return to your practice for follow-ups, prescription updates, and continued support. As part of this, patients also benefit from exclusive rates with Kingsbridge including **up to 10% off** cataract surgery.*

*T&C's apply.

Exclusive CPD Opportunities

Get **early access** to Kingsbridge educational events, workshops, and training to enhance your skills and network with peers.

Friends & Family Discounts

Enjoy **preferential rates** for your friends and family on a wide range of treatments and surgeries through Kingsbridge.

Interested in a **Lunch & Learn?**

Let us treat you to lunch while we support your team

Our Lunch & Learn sessions are a great opportunity to connect with our team. We'll visit your practice, provide lunch, and take the time to guide you through our EyeRefer features, address your questions, and support you in resolving any challenges you may be experiencing. It's informative, relaxed, and tailored to your needs.

To book a session or learn more, please email us at
businessrelations@kingsbridgehealthcaregroup.
